

# ENVISION — 2015 — PROGRAMS

EnvisionExperience.com/**Enroll**

THE BEST WAY  
TO FIND **YOUR**  
PASSION IS TO...

**TRY IT!**

## Get ready to embark on the adventure of a lifetime.

Envision offers students the opportunity to gain firsthand career experience so that they are better equipped to make informed decisions with regards to choosing the right university, college major or career specialty.

We have been offering experiential programs to motivated students since 1985 and offer a complete continuum of leadership and career exploration programs.

### **Envision programs give students the edge they need to:**

- Prepare to lay the foundation for university and career experiences.
- Embrace innovation, analysis, creativity and other critical success skills needed to exceed goals.
- Turn aptitude into action through endeavors that parallel real-world challenges.
- Develop sharp personal visions and clear road maps to lifelong success.
- Become strong candidates for university admission and get a taste for life on campus.

We respect the individuality of every student who attends our conferences and recognize in them their unlimited potential.

Therefore, we do not believe it is our role to tell students what to think, but rather to introduce them to the concepts, skills and behaviors that will allow them to critically analyze situations and arrive at their own well-thought-out conclusions.

We look forward to welcoming you to  
one of our upcoming programs!

“*This is a once  
in a lifetime  
experience  
which  
changed me  
as a person.*”

Ashika K.,  
United Kingdom,  
GYLC Alumna '12

“Only a very small classroom could ever be as interactive as an NYLF classroom. It is this type of **interactive learning** that *inspires me the most as a leader* and it helps me to better work with people of all viewpoints.”

Preston W., NYLF National Security, Alumnus '13

“It’s Day 3 and my son is having the best time of his life. He feels **independent and more confident**. I think this was one of the best investments I made. *Thank you...*”

Meena P., Alumnus Parent

“Attending both conferences helped give me the **life and leadership skills I needed** to take a stand and put a group together, work with them and lead them to *help make a difference in our community.*”

Brandon G., JrNYLC Alumni Conference Keynote Speaker, 2-time Alumnus,  
and Founder, A Better Community

## ELEMENTARY PROGRAMS

### NYLF PATHWAYS TO STEM

Grades 3-5 • Multiple U.S. Locations • Summer • 5-6 Days • \$1495-\$1995

Invaluable adventure for young scholars, exploring the frontiers of science and technology. In this unique learning experience, students discover interests and opportunities they never dreamed of, as they dive into hands-on STEM simulations and workshops.

## The importance of STEM EDUCATION

The fields of **science, technology, engineering** and **math** (STEM) will help produce the next generation of innovators, doctors, scientists, software developers and engineers!

**STEM professionals are in high demand throughout the world.**

According to the U.S. Bureau of Labor Statistics:

- STEM-related jobs are projected to grow 2x as fast as jobs in other fields
- By 2018, the demand for STEM workers in the U.S. will reach 8.65 million
- 80% of jobs in the next decade will require solid technical skills

# MIDDLE SCHOOL PROGRAMS

## JUNIOR NATIONAL YOUNG LEADERS CONFERENCE

Grades 5-7 • Washington, DC • Summer • 6 Days • \$1995

JrNYLC develops and sharpens the essential leadership skills needed for academic and career success by examining the leaders of the past.

## NATIONAL YOUNG LEADERS STATE CONFERENCE

Grades 6-9 • Multiple U.S. Locations • Spring • 6 Days • \$1595

NYLSC provides critical 21<sup>st</sup> century personal leadership skills that will ensure success in school and beyond.

## NYLF INSIDE SPORTS & ENTERTAINMENT

Grades 6-8 • Multiple U.S. Locations • Summer • 6 Days • \$1995

Discover all facets of the sports and entertainment industries beginning with what it takes behind the scenes to create the next superstar, film an award-winning movie, or work in a professional sports organization.

## NYLF EXPLORE STEM

Grades 6-8 • Multiple U.S. Locations • Summer • 6 Days • \$2095

Interactive experience introducing students to innovative and rewarding careers in engineering, environmental science, medicine, and technology. Students “discover by doing” as the activities, workshops, and special site visits are all hands-on and interactive experiences that will put them on the path to success in high school, in college, in a career and in life.

**94%** OF ENVISION ALUMNI NOW IN THE WORKFORCE FELT PREPARED FOR THE CHALLENGES OF A CAREER.

**EXPERIENCE MAKES ALL THE DIFFERENCE.**

# HIGH SCHOOL PROGRAMS

## **NYLF NATIONAL SECURITY DIPLOMACY, INTELLIGENCE & DEFENSE**

Grades 9-12 • Washington, DC • Spring & Fall • 6 Days • \$1795

Join a select group who are interested in the many disciplines that help keep the country – and its citizens – safe. Get an up-close look at the national security infrastructure of the United States through site experiences, a career fair, a real-world crisis simulation and interactions with nationally recognized speakers.

## **NYLF MEDICINE**

Grades 9-12 • Multiple U.S. Locations • Summer • 9 Days • \$2795

Take your place among the nation's highest achieving high school students to gain real-world medical career experience and explore professional career opportunities in the expanding fields of medicine and health care.

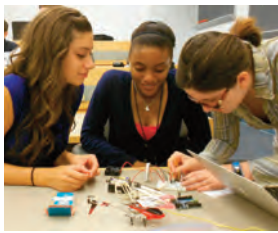

## **NYLF ADVANCED MEDICINE & HEALTH CARE**

Grades 9-12 • Baltimore, MD • Summer • 10 Days • \$3395

Experience an in-depth look at the field of medicine and develop the skills required to succeed in college and in the 21st century health care environment.

*National Youth Leadership Forum (NYLF) Offers Leadership and Career Exploration Experiences  
Since 1985 With More than 500,000 Program Alumni*

## **NYLF ENGINEERING & TECHNOLOGY**

Grades 9-12 • Multiple U.S. Locations • Summer • 8 Days • \$2795

Throughout the eight days of this exciting and interactive summer program, you will explore the emerging fields of sustainable design, 3-D modeling, game and web development, robotics and the many disciplines of engineering. You will also reside on one of the country's top 5 universities for engineering enabling you to experience campus life and campus culture.

## **NYLF TECHNOLOGY & INNOVATION**

Grades 9-12 • San Francisco, CA • Summer • 6 Days • \$2595

Discover and examine the newest, cutting edge disruptive technologies and innovative breakthroughs that will impact virtually every part of our lives, and that could launch your future career! Explore a variety of technology centered professions and collaborate with your peers as you develop technical skills in the fields of Video Game Design or Computer Programming in an exciting gaming simulation that runs the length of the program.

## **NYLF DIGITAL MEDIA, FILM & JOURNALISM IN NEW YORK AND LOS ANGELES**

Grades 9-12 • Multiple U.S. Locations • Summer • 7 Days • \$2595

Are you creative, adaptive and multi-talented? Learn how you can lead the digital revolution as you explore rapidly converging careers for professionals with skills in the broadcast of video and audio, digital production, journalism, film editing and more. Stay on a New York City or Los Angeles campus and go behind the camera to create and shoot a film at the New York Film Academy.

## **NYLF BUSINESS INNOVATION - 8 DAYS TO STARTUP**

Grades 9-12 • Multiple U.S. Locations • Summer • 8 Days • \$2695-\$2895

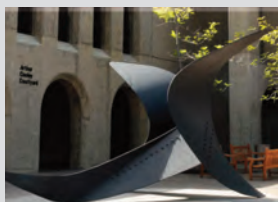

Through the "8 Days to Startup" curriculum at NYLF Business Innovation, you will explore a variety of business professions and compete in an exciting MBA-style corporate simulation that puts you directly in the board room, and challenges you to make the critical day-to-day decisions of the CEO! Awaken your innovative spirit at one of three top ranked campus locations, including Stanford University, the University of California, Berkeley, and Columbia University.

## **NYLF LAW & CSI**

Grades 9-12 • Washington, DC • Summer • 6 Days • \$1795

Through hands-on experiences in crime scene investigation, evidence analysis and courtroom simulations, you will go beyond the classroom and gain the edge you need for college and a future career in law or forensic science.

## **INTENSIVE LAW & TRIAL**

Grades 9-12 • Stanford, CA • Summer • 10 Days • \$3295

Discover what it takes to be a 21st century attorney, deepen your appreciation of the legal field, and explore academic and career options at this unique program held in collaboration with Stanford Law School.

## NATIONAL YOUNG LEADERS CONFERENCE

Grades 9-12 • Washington, DC • Summer • 7 Days • \$2275

Join peers from across the nation to gain real-world leadership experience and the essential leadership skills you need to succeed in college and in your future career. Through hands-on workshops, exciting speaking events, and exclusive site visits you will be empowered to emerge as an influential voice in your community, state, and even at the national level.

## GLOBAL YOUNG INNOVATORS INITIATIVE

Grades 9-12 • Boston, MA • Summer • 6 Days • \$2795

Discover and examine the newest, cutting edge technologies and innovative breakthroughs that will impact virtually every part of our lives in the future, and that could launch your future career!

## GLOBAL YOUNG LEADERS CONFERENCE

Ages 15-19 • U.S, China, Europe • Summer • 10 Days • \$2995-\$4195

GYLC is a leadership journey that helps students adopt international leadership strategies, embrace diverse cultures and backgrounds, and appreciate unique ways of thinking and seeing the world. Attracting high-achieving students from more than 145 countries, the program prepares you to succeed in multicultural environments with confidence, independence and skill – attributes that are in high demand by today's top universities and employers.

# High School Program **EXTENSIONS\***

As part of your Envision experience, some of our programs have the option of extending your time and learning more about the university admissions process while immersing yourself in the culture of your host city.
