

Envision Fact Sheet

About Envision:

Envision is a leading experiential education organization dedicated to enabling students of all ages to explore their interests and gain learning experiences beyond the classroom.

In 2012, Envision EMI merged with LeadAmerica to create the Envision Experience, a comprehensive offering of programs to help students develop the leadership, scholarship and career skills needed to succeed in today's competitive college and career landscape.

Programs:

Envision programs allow students to explore career interests and to plan and achieve their goals. A team of professional educators have designed an extensive portfolio of hands-on programs to help students in elementary school through college prepare for their futures. A full listing of Envision programs is available at www.envisionexperience.com.

Since 1985, more than 800,000 young people in more than 145 countries have participated in Envision programs, including the Global Young Leaders Conference, the Junior National Young Leaders Conference, the Congressional Youth Leadership Council, the National Youth Leadership Forum and more.

Mission:

At Envision, we are dedicated to enabling students to discover their career and life interests, and to providing them with the skills, resources and experiences they need to successfully achieve their goals.

Brand Promise: We provide the skills and experiences students need to succeed in college and in their future careers.

Accreditation: Envision programs are accredited by the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI).

The academic quality of Envision programs for high school and college students is recognized via accreditation through either George Mason University or Loras College. Envision students who successfully complete one of these programs have the ability to earn college credit.

Research Support: Envision’s program curriculum is aligned against national standards, including the Common Core State Standards, the Next Generation Science Standards, the Framework for Inquiry in Social Studies State Standards and the *Mile Guide* from the Partnership for 21st Century Skills. Envision instruction is aligned with the *BSCS 5E Instructional Model*.

Collaborations: Several Envision programs involve collaborations with well-known postsecondary institutions such as Babson College (*Business & Innovation*), the New York Film Academy (*Digital Media, Broadcast & Journalism*), Stanford Law School (*Intensive Law & Trial*) and the University of California San Francisco (*Advanced Medicine & Health Care*).

Partnerships: College-level Envision programs are partnered with postsecondary leaders such as the American International Education Foundation (AIEF), the Golden Key International Honour Society, the National Society of Collegiate Scholars and the Phi Theta Kappa Honor Society.
