New Middle School Program for 2015

Parents – Envision is offering a new summer program for middle school students in 2015, [NYLF Explore Sports and Entertainment](#)! As alumni, your children have the first opportunity to enroll -- and save \$400 off tuition.

Pick from Atlanta, Los Angeles or New York and explore the future of the sports and entertainment industries. See what happens behind the scenes at sporting events, from front office marketing and sales to legal and publicity. After hearing from professionals in the industry, you will work together to develop your own Promotional Package to support a hypothetical business, incorporating marketing, press, budget, and brand development. Open to students in grades 6-8 in the 2014-2015 school year.

Share the Envision Experience

As an alumni, you know how exciting the Envision experience is! Share that excitement with those you know with Share the Experience Grant. Invite a friend to attend a program with you next year and you can both get a \$400 tuition grant towards a 2015 program. Or maybe it's time for a sibling to have their turn exploring their leadership and career opportunities!

[Explore program options](#) for yourself and [share this offer with friends, siblings or classmates](#)! Your alumni grant is available until **October 3, 2014**, but the Share the Experience Grant expires **August 29, 2014** – so share this opportunity today!

Community Leaders

Operation Fly 2014 Keynote Speaker, Junior National Young Leaders Conference

Operation Fly is a non-profit organization run entirely by students in the Washington, DC area. Founded in 2007, the organization urges young people to provide opportunities for people in their own communities – including other students – who are in need. Members of Operation Fly believe altruism and sympathy are necessary traits for young leaders to have. They aim to empower and encourage their fellow students to create change today.
