**This sample schedule is provided as an example of the overall quality and scope of a typical program experience and is not intended to represent a specific 2021 schedule. The 2021 specific schedule, speakers, site visits, and details vary between sessions.*

We are currently evaluating all aspects of our programs and incorporating the most up-to-date health and safety standards. We will continue to make changes as new learnings and guidance evolves from the Centers for Disease Control and Prevention (CDC) and our program partners. Stay informed by visiting our website at envisionexperience.com/covid-health-and-safety, where you will find FAQs and procedural details highlighting our COVID-19 protocols.
