Day One: Meet Your Fellow Change Makers

Residential students arrive and get to know their group and Advisor.

Day Two: Call to Action

Students dive into key leadership skills through a time travel simulation and identify the topic of change for the *We the Future* project.

Day Three: Creating Change

Students create and ideate ideas for potential solutions or awareness for the *We the Future* project in the morning and participate in real-life time travel through a historical site visit in the afternoon.

Day Four: Implementing Change

Students further explore key leadership skills and develop a future action plan and awareness video on the topic of change.

Day Five: Change Through Action

Students present the future action plan to a panel of experts and receive feedback to prepare the future change makers for action.

Day Six: Partners in Change

Students participate in an immersive and hands on site visit that teaches the value of partnering with local organizations to enact change in the community.
