

NATIONAL YOUTH LEADERSHIP FORUM: ENGINEERING

*2023 Sample Schedule**

Day One: Arrival of Scholars and Program Welcome

Campus Tours and Orientation

Program Welcome and Schedule Overview

Introduction of Capstone Impact Challenge and Goal Setting

Day Two: The Engineering Design Process

3D Printing Workshop: Rocket Design and Printing

Career Immersion Experience - Speaking Event

Capstone Impact Challenge Workshops

Engineering Design Process

Defining Project Goals and Brainstorming Solutions

MyActionPath Career Assessment

Day Three: Engineering Applications

University Admissions Information Session

Helicopter Electronics Workshop: Circuit Design and Programming

Engineering Practical Workshop: Design and Programming

Student Panel and Discussion

Engineering Exploration Lab

Day Four: Design and Build

Building Leadership Presence Workshop Series: Ethics in Engineering

Capstone Impact Challenge Workshops

Ideating Solutions

Testing Prototypes

Engineering Exploration Lab

continued on reverse

**This sample schedule is provided as an example of the overall quality and scope of the experience offered and is not intended to represent a specific schedule for 2023. The 2023 specific schedule, locations, speakers, and site visits may be modified.*

As always, the well-being of our scholars and staff is our priority. We implement first-rate health, safety, and risk-management protocols into all our programs, based on recommendations from our Health & Safety Team and medical advisors. We're also committed to evolving our policies and protocols to reflect our program partners' requirements, public policy, and the Centers for Disease Control and Prevention (CDC) guidelines. To see our current standards, visit envisionexperience.com/covid-health-and-safety.

Day Five: Engineering Project Management

Capstone Impact Challenge Workshops

Testing Solutions

Engineering Exploration Lab

Off-Site Excursion

Day Six: Explore Careers in Engineering

Career Immersion Experience

Capstone Impact Challenge Workshops

Final Design and Build

Presentation Preparation Practice and Feedback

Building Leadership Presence Workshop Series: Resume Building and
Career Preparation

Engineering Exploration Lab

Day Seven: Engineering the Future

Capstone Impact Challenge Final Presentations and Showcase

Closing Celebration

Finalize Maker Documentary

Day Eight: Farewell and Departure of Scholars

Program Debrief and Closing Address

Student Assessments and Feedback Sessions

Student Certificate and Photo Distribution

Student Travel and Departure Assistance
