**This sample schedule is provided as an example of the overall quality and scope of a typical program experience and is not intended to represent a specific 2024 schedule. The 2024 specific schedule, speakers, site visits, and details vary between sessions.*

As always, the well-being of our students and staff is our priority. We implement first-rate health, safety, and risk-management protocols into all our programs, based on recommendations from our Health & Safety Team and medical advisors. We're also committed to evolving our policies and protocols to reflect our program partners' requirements, public policy, and the Centers for Disease Control and Prevention (CDC) guidelines. To see our current standards, visit envisionexperience.com/for-students/health-and-safety.
